EXPERIENCE

Tri-County Furniture Restoration, Wyoming OH — Woodworker

October 2016 - PRESENT

I have worked as a Woodworker here for 4 years, where my responsibilities include:

- Talking to customers on a daily basis and working with them on specific and custom features for their furniture or piece
- Operating heavy machinery day to day to trim, carve and modify pieces for repair or replacement
- I also deliver furniture to customers homes and assemble the piece to ensure it arrives undamaged and properly assembled

EDUCATION

The Ohio State University, Columbus, OH — Coding Bootcamp Certification

October 2020 -Currently Enrolled

I have recently made a career switch into web development and design, I have always had an interest in this field but never took the steps needed to do so out of high school. But now I am confident and excited to begin learning in this field. With the help of OSU's and Trilogy's Coding Bootcamp program I believe they will get me there.

Bellevue High School, Bellevue, KY — High School Diploma

August 2009 - May 2012
